Scope and Contents

The Office of Communications records include administrative records, news releases, newspaper and magazine clippings related to UNE, photographs, video, primarily vhs cassettes, publications and ephemera created by the office. While the records group includes records from the earliest days of St. Francis College the bulk of the materials date from 1980 - 2010.

[Return to Table of Contents](#)

Arrangement

As much of the original arrangement was maintained as possible. The Administrative records series, Events series, News releases series, and Clipping series retain their original order. The Photographs and Ephemera series have been separated from project files which originally included drafts and assets.
