Biographical / Historical

Jean Preis read Dorothy Sanborn's Bird Seed column in the Bridgton News for a year before Preis moved to Maine. Preis ended up moving just down the road from Dorothy and her husband Andy, and they struck up a friendship. When Sanborn retired from writing her column, Preis wrote a letter to the editor lamenting the absence of the Bird Seed column, and the Bridgton News suggested Preis take over the column. She has written more than 500 Bird Watch columns for the Bridgton News. Preis and her husband own and operate a summer cottage rental business on Highland Lake.
